WORDS FROM HOME

Statements That May Be Investigated.

Testimony of Middlebury

Citizens.

When a Middlebury citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Middlebury resident. No stronger proof of merit can be had.

S. E. Meekin, barber, Franklin St., Middlebury, says: "I had a severe attack of kidney complaint and my back pained me so intensely that I was unable to rest well. Knowing of Doan's Kidney Pills, I got a box and they brought me prompt relief. It was not long before I was restored to good health and every symptom of the complaint was removed. I confirm all I said about Doan's Kidney Pills when I publicly endorsed them before. You may continue to use my statement."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Meekin had. Foster-Milburn Co., Props., Buffalo, N. Y.

COLLEGE NOTES.

During the vacation the campus has been raked and much work done on the walks and drives.

The practice teachers returned Monday to resume their duties at the Middlebury High school.

The work on the Mead Memoria Chapel is being rapidly carried on and the contractors are beginning work on the new grandstand at the athletic field.

On Friday, 23 of the base ball and track men, together with Coach Murch, enjoyed a ride to Snake Mountain.

A large number of the base ball and track candidates have spent their vacation in Middlebury in order to participate in the daily practice on Porter Field.

The College Chapel service at four o'clock Sunday will be conducted by Professor Harrington. Visitors from town are welcome to these services.

President Thomas will preach Sunday at the Hotchkiss School, Lakeville, Conn. Monday evening he will speak at the annual meeting of the Brattleboro Board of Trade.

Assistant Professor Voter and Mason, '17, left Friday of last week for a four days' hike to Snake Mountain, Crown Point and Ticonderoga. They visited the forts and other places of interest.

After the base ball practice Monday afternoon a mock track meet was held, under the direction of Coach Murch, for the men who had taken the Snake Mountain trip. The following men took first places: 100 yard dash, Sistrare; broad jump, Aylward; high jump, Haskins; discus, Swezey; shot put, Pollard; pole vault, Warner; back jump, Jones; consolation race, Kron.

Through the efforts of Mr. Murch an inter-fraternity base ball league has been organized. The schedule has been arranged, each team playing six games. It is hoped that in this way more good base ball material can be found. The team winning first place for two consecutive years will be presented with a cup by Horace Partridge company of Boston.

The base ball team is making its first trip of the season this week. The team left Wednesday noon for New York, where they play New York University on Thursday and Fordham University on Saturday. The following men reported for the trip: Captain Haskins, Aylward, MacLaughlin, Crippen, Loder, Jones, Pollard, Sears, Bartlett, Lamere, and Robinson. On account of the excellent work in practice much is expected of them in their first two games.

The inter-class track meet will be held Saturday, April 24, on Porter Field at two o'clock. An unusually large number of track candidates have reported this year and a close meet is expected. There are five meets scheduled for this season of which this is the first. For the first time Middlebury College is to be represented this year in the N. E. I. A. A. meet at Boston, which is sure to cause increased interest in that branch of athletics at Middlebury. Dr. A. E. Lambert will act as starter, and Prof. A. D. Wetherell and Prof. P. N. Swett will have charge of the field events.
